NEW VIRTUAL EDUTAINMENT SHOWS ENGAGE STUDENTS WITH CIRCUS SKILLS & MAGIC

Teachers, educators, parents, & caretakers:

Are you looking for a way to boost class morale, reward your class, or engage your online students with education? Bri Crabtree, award-winning children's entertainer is offering six new edutainment Zoom shows with six unique themes. Circus skills and magic are used to engage students with life sciences, vocabulary, and social emotional learning. The "Giggle & Grow" Zoom series will make your students laugh, learn, and discover new educational topics. Bring one, or all six, unique 30-minute shows to your Zoom classroom. Designed for pre-school, pre-K, TK, and 1st grade.

Bri is seeking schools, parent groups, and homeschool groups to launch the program for a low introductory price. This could even work as an after-school activity with caretakers. Do not hesitate to reach out for details & pricing.

About Bri Crabtree

Bri Crabtree is an award-winning children's entertainer in the SF Bay Area for over 10 years. She holds a B.S. in Wildlife Biology, and taught outdoor environmental education to kids for many years as well. Bri is a beloved performer at Children's Fairyland, Happy Hollow Zoo, and other Bay Area landmarks.

Preschool, PreK, TK, K, 1st grade

physical sciences
teamwork

SPACE TRAVEL

Follow Your Curiosity

Bri hears the moon is made of cheese, so she decides to investigate. Bri leads everyone on a space travel adventure while exploring planets, stars, and other celestial elements. The space ship gets sucked into a blackhole, but by using teamwork, the crew finds a way back to earth.

2021 Programming
Preschool, PreK, TK, K, 1st grade

critical thinking
vocabulary

DETECTIVES

Follow Your Curiosity

A delicious chocolate cake mysteriously disappears! Bri discovers a detective kit, and uses her 5 senses to find clues. Bri follows the clues to unravel the mystery. She must use logic, solve riddles, and form theories.

2021 Programming

critical thinking

SUPER HERO PIZZA PARTY

Follow Your Curiosity

"Not all superheros wear capes". Bri leads a discussion about hero-like qualities, and encourages the kids to participate. Bri tests her "superhero powers" which results in silliness. Bri organizes a "Super Hero Pizza Party" and the kids are encouraged to come to the pizza party as their alter egos.

IN THE GARDEN

Follow Your Curiosity

Bri meets a caterpillar and learns how it changes into a butterfly! Bri also plants a flower seed, meets a canary that teaches her to sing, and builds a birdhouse. At the end, we learn about the full transformation of the caterpillar to the butterfly.
